from Ngan Caussiol
www.expo-ramses.com : R.II exhibit organized by my Hieratic lecturer Dominique Farout (he took care of the Tutankhamon exhibit in Paris 4 years

ago) : from April 7th until Sept 6th 2023 :180 objects . at Grande Halle de la Villette (not far from Gare du Nord where the Eurostar ends)

From Ale Mezza
Frontiers | Scanning and three-dimensional-printing using computed tomography of the "Golden Boy" mummy
https://www.frontiersin.org/articles/10.3389/fmed.2022.1028377/full

and finally ….anyone who is interested in George Reisner, there is a new biography of the man and his works written by fellow Harvard academic, Peter Der Manuelian (Amazon.co.uk : george reisner)

Harvard's Digital Giza Project allows scholars to explore Egypt — without leaving the country – Harvard Gazette

A big thank you to everyone who has sent in Egypty treats for us to share. Please keep sending things my way, I know lots of you enjoy exploring ☺

Questions for the Kemet Collective!!

If you have a question that you would like to ask the group, please send my way (and please note, often people respond with attachments and PDFs etc so if you ask a question be aware that your email address would be shared so people can reply directly to you, just cc-ing me in so I can share the gist with the group next time).
