

Terms and Conditions for the Kemet Klub 2024 Egyptian Tour

By reserving a place in the March 2024 Sacred Landscapes: Abydos and Luxor tour, you acknowledge that you have read, understood, and consent to the following:

1. The Kemet Klub (Ali Ball, Josie Newman and Bernadette Brady) are not acting as travel agents or tour operators and cannot be held liable as such. We have proposed a captivating itinerary available to our Kemet Klub acquaintances with a passion for Egyptology. While we will make every effort to ensure your well-being during the trip, we are not liable for unforeseen circumstances and changes.
2. The tour will be operated by Galal Alsenusy who will handle all the arrangements in Egypt.
3. Your place is only reserved once you have completed the online booking form and sent your deposit to Galal Alsenusy – bank details on the Booking Form on the web.
4. The price quoted by Galal Alsenusy requires a minimum of 15 people to register for the tour. If this tour number is not achieved, you will receive a full refund of your deposit. Alternatively, there is a maximum of 24 places and if the tour is oversubscribed, we will have a waiting list based on a first-come, first-served basis.
5. Once the tour has reached the required numbers we will confirm with you via email. You are then responsible to book your own flight that will get you to Luxor ready for our tour which start 8:00 am Tuesday 26th March 2024.
6. Important: Please do NOT book your flight until you have heard that we have reached the minimum number. Neither the Kemet Klub nor Galal Alsenusy are financially liable for your airfare if you decide to book your flight before we have confirmed with you that the tour is going ahead.
7. If you are not arriving in Luxor on Monday the 25 March, and wish to come earlier, please inform Galal Alsenusy directly so he will know when you will need transportation to the hotel.

8. You are responsible for ensuring that you are fit and well to travel. You must have a fully valid passport to travel and purchase your entry visa on arrival in Egypt. The current cost for this is \$25 USA, this needs to be paid in cash by US or in Sterling.
9. It is your responsibility to take out comprehensive insurance which includes medical repatriation for the trip. Please bring this with you on your journey.
